Media Director

National Office - Johannesburg

loveLife is looking to recruit a suitable candidate to create and develop a multi- media behaviour change communications campaign with country- wide outreach and support services for young people. The successful applicant would be required to fulfil the following primary functions in a professional manner and with technical excellence:

- Leading the continuing review , design and development of loveLife's communication campaign and overall media strategy
- Develop loveLife's core media strategy based on in-depth research on HIV/Aids studies, issues affecting youth, and latest media & marketing trends
- Ensuring synergy in content and design across television, radio, print, outdoor, mobile and web platforms
- Representing loveLife in mainstream media
- Develop partnerships within civil society and media sectors as relates to loveLife Media
- Management of loveLife partner agencies, including television, design and outdoor companies
- Management of ongoing monitoring and evaluation of loveLife's media campaign
- Management of overall operations of media team, including staff complement of 17
- Manage all loveLife Media projects and budgets
- Serve as a strong contributor to loveLife's senior management team

Suitable candidates will need to satisfy the following requirements:

- A post graduate degree in Media or communications and at least 5 to 8 years media-related experience
- Keen insight into youth and media trends in South Africa
- Experience managing large scale multi-platform media campaigns
- In depth insight into HIV and issues affecting the youth in South Africa would be an advantage
- Programme management and marketing experience
- Excellent communication and interpersonal skills
- Financial management skills
- Leadership and Problem solving skills
- Ability to interact with people at all levels
- A valid driver's license

Total remuneration package: Commensurate with experience
