FYEG GA Call for Presidency

16th to 20th May 2011
Location: Barcelona, Catalonia
Deadline for applications is **1st of April**

Dear everyone,

the EC of FYEG (the Federation of Young Greens) is looking for people who are interested in joining the **presidency in the General Assembly** from the **16th to the 20th of May in Barcelona**.

PRESIDENCY, TASKS AND MEETINGS

The presidency will consist of four to six people in total. The membership of the presidency is based on a geographical and gender balance as well as between people with solid experience in the field meaning chairing meetings and discussion of big groups. This team will then be in charge of the organisation of the political debates at the GA, the preparation of the papers and amendments. The presidency will also be in contact with the Executive Committee, the FYEG office and the local prepteam (Catalan Young Greens) for technical and other questions.

The presidency:

- consists of four to six people who must not be candidates to any positions at the GA
- can be suspended and simultaneously replaced with an absolute two-third majority by the assembly. Such a vote of no-confidence can be demanded by at least 5% of the delegates, who must present people for the new presidency.

The presidency will have at least one meeting before the GA. Apart from that the members of the presidency will communicate through a special mailing list and skype conferences.

The general assembly confirms the presidency proposed by the EC before any other decisions are made.

HOW TO APPLY?

If you are a member of a FYEG member organisation and interested in applying for the presidency, please send a short description of your experience and a brief motivation letter to office@fyeg.org by **1st of April 2012 11 AM CET**.

The selection will be done by the EC.
