

INTERNATIONALES
KULTUR CENTRUM

Seminar
Creative Strategies of Sustainability
09th - 14th of September 2013

Programme

Monday 9th

Registration during the morning, after lunch, welcome and introduction, guided tour of the ufaFabrik, who is who and the presentation of the programme. Get together at the common buffet.

Tuesday 10th

In the morning a lecture about "Construction and Building", green roofs, sustainable materials, energy production, etc. After lunch, two workshop options: building with straw bales and an physical training.

Wednesday 11th

A bicycle tour will be organised all day long to visit artistic projects and sustainable places in Berlin. During the evening time to enjoy the city or see friends.

Thursday 12th

Start in the morning with a lecture about "Greening the Cantina", background information and practical examples around food, food production and catering. During the afternoon, the workshops will continue. Plan for the night: Bike cinema with shorts!

Friday 13th

In the morning a "Talk about Money" with vivid examples, including cooperation models, ethic banking, tips and creative strategies to operate with the minimal financial resources. After lunch, the attendees will share and define their own individual strategy of sustainability. Concert in the evening.

Saturday 14th

Debate and conclusion: presentation of the various "creative strategies of sustainability", and a good bye party in the ufaFabrik's bake house.

Programme is in process, there might be some changes, May 2013

"**Engine Room Europe** is a three-year programme (April 2011-May 2014) of activities dedicated to independent cultural workers and their creative processes. It is initiated by Trans Europe Halles (TEH) and co-ordinated by Melkweg (Amsterdam, The Netherlands) in association with 10 co-organizing TEH members.
